EXPORT INLAND (TRUCKING) DAILY CHECKER

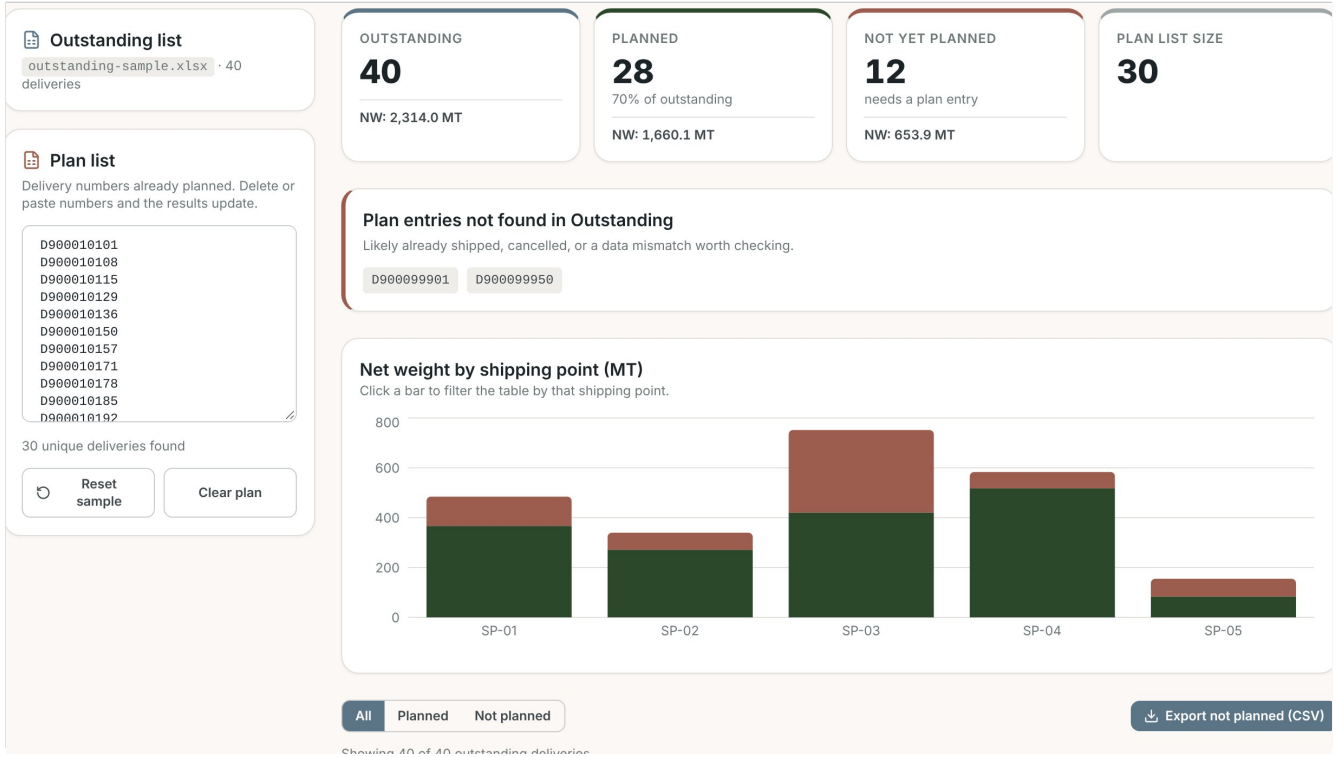

A daily checker that catches unplanned deliveries

The issue

- DCR vs outstanding discrepancies checked by hand
- Supervisor and Manager review BOC/DCR manually
- Deliveries risk being skipped instead of shipped out early

The benefit

- Discrepancies visible at a glance
- Supervisor and Manager check BOC/DCR directly, faster
- Skipped deliveries eliminated or minimized

HOW I DELIVERED IT

1. Identify & brainstorm
2. **Build tool with AI**
3. Assess the tool
4. Trial & improve
5. Launch & implement
6. Standardize

RESULT

Before: no platform, deliveries can be skipped
After: unplanned deliveries flagged to Supervisor
